

ANNUAL REPORT
AUGUST 2018 – JULY 2019

We believe that people matter, and taking care of our customers, our employees and our surrounding communities is paramount in how we approach our business.

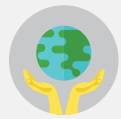

This belief is deeply ingrained throughout the organization.

The Samtec Cares Grant Program was created to positively impact and assist charitable organizations within these communities using rotating areas of focus that are important to our employees worldwide. Our current areas of focus are:

ARTS AND CULTURE

We support organizations in our communities that provide unparalleled creative arts experiences and opportunities.

COMMUNITY DEVELOPMENT

To better the places where Samtec operates, we look for organizations that improve the quality of life for our employees and neighbors.

HEALTH AND SOCIAL SERVICES

Our goal is to support the health of communities and aid organizations that assist those in need.

Being a good corporate citizen of a community carries with it responsibility. Since the majority of Samtec employees come from surrounding towns and cities, Samtec plays a big impact in this role.

Thank you for reading the Samtec Cares 2018 - 2019 Annual Report. To learn more, visit samtec.com/samteccares.

Camp Quality ensures every child diagnosed with cancer can not only have a summer camp experience, but year-round programs to enhance their quality of life - at no cost. Their grant will support the week-long summer camp as well as different events throughout the year.

Hero Reward provides U.S. service men and women, as well as emergency responders, a one of a kind retreat to aid in both mental and physical recovery from traumatizing events. Their grant will be used to expand their Healing Without Walls Program, an alternative to traditional forms of rehabilitation and counseling.

Summer 2019 Grant Recipients

New Albany High School Theatre Arts is an award winning, nationally recognized theatre program. Their grant will be used to complete their classroom theatre with lighting, lighting board, sound board, speakers, chairs, and a piano to host classroom and extra-curricular productions.
